- ❖ **From the Desk of Mrs. Gunnett, School Nurse:** As the school year is drawing to a close, it is time to return your child's medication to you. In the interest of safety, we will not return the medication for transport home. **Rather, we request that you stop to collect the medication from school during the school day on June 7-10.** The health office has Benadryl and an Epi Pen on hand for emergencies. If you do not come for the medication, we will dispose of it in a safe manner. No medications will be stored over the summer in the schools.
